

DESSA x Move This World System: Automated Emails

The DESSA x Move This World System sends a small number of automated emails to keep users informed throughout the school year — from account setup through rating completion and results. This article lists each email, who it comes from, and when to expect it, so you can quickly confirm whether a message your users received is legitimate and expected.

All system emails are sent from **platform@app.apertureed.com** unless otherwise noted below.
